ALINA COMMUNITY CENTER
GETTING OUR COMMUNITIES HEALTHY

ALINA COMMUNITY CENTER
GETTING OUR COMMUNITIES HEALTHY

Who We Are

Alina Community Center offers exceptional patient care to anyone who needs Mental Health or Family Medical Services. We are Licensed & Certified by The State of Florida Agency for Health Care Administration. Alina Community Center ensures that all residents of Florida receive a single high standard quality of care.

Our Mission

To build the health of our community by providing a single high standard of quality care for the residents living in the state of Florida and the greater Mt Dora community.

Vision

Our strategic vision is to be nationally and internationally recognized as a world class academic medical system that delivers exception quality in the service it provides to its communities.

Values

Alina Community Center is committed to providing exceptional patient care to anyone who is connected, affiliate, or referred to our practice, by showing compassion, respect, while holding every member of our team to a high standard of expertise.

As Florida experiences unprecedented growth, Alina Community Center's goal is to understand and meet the healthcare needs of both current residents and growing population while staying true to its mission.

- ★ Providing baseline measure of key health indicators.
- ★ Developing a comprehensive understanding of health needs and gaps for residents of the greater Mount Dora area.
- ★ Identifying healthcare priorities and building an implementation plan that will address those priorities

Choose The Best For Your Health

By Choosing Alina Community Center, you are guaranteeing that you will receive quality care for you and your loved ones. Our exceptional track record sets us apart and "You are welcome" because we are confident you will thank us when all is said and done.

- ★ Quality Doctors
- ★ Professional Experts
- ★ Affordable Price

Dr Gravil Joseph is a devoted husband and father with a heart and passion for mental health concentration in acute health and family medicine. Dr. Gravil's vast experience of almost 20 years allows him to fulfill the duties assigned to his role as a Psychiatry Nurse Practitioner. You can see Dr. Gravil at any of our 2 locations in Mt Dora or Ocala, or simply through telemedicine technology.
